Whether you are in another country, touring a national park or visiting a major city, AFT's Emergency Assistance Plus helps you access the medical advice, assistance and transport you may need when a medical emergency strikes while you are away from home. Many of these resources are for costs that health insurance generally will not cover.

Emergency Assistance Plus provides valuable and reassuring medical assistance if you get sick or hurt while traveling in the U.S. or abroad. This valuable program gives AFT members and their families these crucial services:

- Medical Evacuation
- Medical Assistance
- Travel Assistance
- Assistance for Companions

The cost is \$89 annually for members, \$109 for family coverage.

Available to AFT members and their families, Emergency Assistance Plus offers a 24-hour year-round toll-free number to call for help when it's needed most, no matter where in the world you are. There is a risk-free, 30-day no-obligation trial.
